No prior agreement or understandings, verbal or otherwise, of the parties or their agents are valid or enforceable unless included in this Agreement.

**12. Terms of this Agreement.**

The terms of this Agreement are lawful. Performance of all duties and obligations must conform with and not contravene any state, local, or federal statutes, regulations, rules, or ordinances.

**13. Legal Compliance.**

The Public Entity shall comply with all applicable federal, state, and local laws, and

Department regulations and policies in the performance of this Agreement, including, but not limited to laws governing civil rights, equal opportunity compliance, environmental issues, workplace safety, employer-employee relations and all other laws governing operations of the workplace. The Public Entity shall include the requirements of this Section 13 in each contract and subcontract at all tiers.

**14. Equal Opportunity Compliance.**

The parties agree to abide by all federal and state laws and rules and regulations, and executive orders of the Governor of the State of New Mexico, pertaining to equal employment opportunity. In accordance with all such laws and rules and regulations, and executive orders of the Governor of the State of New Mexico, the parties agree to assure that no person in the United States will, on the grounds of race, color, national origin, ancestry, sex, sexual preference, age, disability, or other protected class, be excluded from employment with, or participation in, any program or activity performed under this Agreement. If the Public Entity is found to not comply with these requirements during the term of this Agreement, the parties agree to take appropriate steps to correct these deficiencies, subject to Section 7 above.

**15. Appropriations and Authorizations.**

The terms of this Agreement are contingent upon sufficient appropriations and authorizations being made by the governing board of the Public Entity, the Legislature of New Mexico, or the Congress of the United States if federal funds are involved, for performance of the Agreement. If sufficient appropriations and authorizations are not made by the Public Entity, Legislature of New Mexico, or the Congress of the United States if federal funds are involved, this Agreement will terminate upon written notice being given by one party to the other. The Department and Public Entity are expressly not committed to expenditure of any funds until such time as they are programmed, budgeted, encumbered, and approved for expenditure.

**16. Accountability of Receipts and Disbursements.**

There shall be strict accountability for all receipts and disbursements relating to this Agreement. The Public Entity shall maintain all records and documents relative to the Project for a minimum of five years after completion of the Project. The Public Entity shall furnish the Department and State Auditor, upon demand, any and all such records relevant to this Agreement. If documentation is insufficient to support an audit by customarily accepted accounting practices, the expense supported by such insufficient documentation must be reimbursed to the Department within thirty (30) calendar days. If an audit finding determines that specific funding was inappropriate or not related to the Project, the Public Entity shall reimburse that portion to the Department within thirty (30) calendar days of written notification.

**17. Severability.**

In the event that any portion of this Agreement is determined to be void, unconstitutional or otherwise unenforceable, the remainder of this Agreement will remain in full force and effect.

**18. Applicable Law.**

The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue is proper in a New Mexico Court of competent jurisdiction in accordance with NMSA 1978, Section 38-3-1(G).

This Agreement may be altered, modified, or amended only by an instrument in writing executed by the parties.
